(b) when were these percentages fixed and by whom; and

THE MINISTER OF STATE IN THE MINISTRY OF PERSONNEL, PUBLIC GRIEVANCES AND PENSIONS (SHRI SURESH PACHOURI): (a) In case of direct recruitment on all India basis by open competition, reservation to the Scheduled Castes and Scheduled Tribes is available at the rate of 15% and 7.5% respectively. In case of direct recruitment on all India basis, otherwise than by open competition, reservation to them is available at the rate of 16.66% and 7.5% respectively. In case of direct recruitment to Group C & D posts, normally attracting candidates from a locality or a region, reservation for SCs and STs is generally determined keeping in view the proportion of their population in the respective States/UTs.

(b) Present rate of reservation for SCs in case of direct recruitment on all India basis otherwise than by open competition was fixed in September, 1947 and current rates of reservation for SCs in case of direct recruitment by open competition and for STs in case of direct recruitment on all India basis by open competition as well as otherwise than by open competition were fixed in March, 1970. Quantum of reservation in case of direct recruitment to Group C and D posts on local or regional basis has been revised with effect from 5.7.2005.

(c) Quantum of reservation in case of direct recruitment to Group C and D posts, normally attracting candidates from a locality or a region is generally revised keeping in view the proportion of their population as per the 2001 Census. The Supreme Court has held that the Constitution enables the State to make provisions for adequate representation and not proportionate representation to backward classes in services. It has also held that total reservation for SCs, STs and Other Backward Classes should not exceed the limit of 50%. In case of direct recruitment on all India basis, reservation for the Scheduled Castes, Scheduled Tribes and Other Backward Classes is already either 49.5% or 50%. Therefore, it has not been found possible to revise the quantum of reservation on the basis of census figures.
